This list of items (explanations below) would greatly benefit the ministry at St. Paul's. These items are above and beyond the budgeted expenses. If you would like to give toward a Wish List item, clearly mark your envelope, "Wish List," with the item title, or give online at www.stpaulmuskego.org/give.

Promethean Board

Promethean boards are touch screen tv monitors with better screen resolution than a smartboard and less maintenance cost. This Wish List item will fund the last of the three Promethean Boards installed this summer.

Photo Feature Walls

Four photo feature walls will be installed in the church lobby and Trinity Café to visually communicate our core values to members and guests and to celebrate the gospel ministry God does among us.

Church Signage Updates

For a first-time guest, navigating our church building can be challenging. The updates to the church signage through this Wish List item will include new exterior front door lettering and a total sign update

Family Room Update

Our Family Room is used extensively by our guests, not only by parents with small children but also baptismal families, brides, and disabled persons. Our pastors often use it as a place to meet with members and guests as well. The room has had the same furniture for over 20 years. The furnishings below will update the room and result in furniture that is also easy to clean.

HELP KEEP LIGHTHOUSE YOUTH CENTER AT GARDEN HOMES SHINING

PRAY FOR THE PERSECUTED

“You will be handed over to be persecuted and put to death” (Matthew 24:9).

“Be faithful, even to the point of death, and I will give you a crown of life” (Revelation 2:10).

“Brothers and sisters, pray for us that the message of the Lord may spread rapidly and be honored, just as it was with you. And pray that we may be delivered from wicked and evil people, for not everyone has faith. But the Lord is faithful, and he will strengthen you and protect you from the evil one (2 Thessalonians 3:1-3).

“The prayer of a righteous person is powerful and effective” (James 5:16).

The Church – A Safe Place?

In our message today we are reminded that the Church is not a “safe place” for many Christians in the world as they suffer persecution. But it is also the only “safe place.” In God’s Church, we are safe in the hands of the Savior who promises that no one can snatch us out of his hand (John 10:27-28).

As you look at the map below and see the countries (in black) where Christianity is restricted and other countries (in gray) where Christians are often persecuted by family or community members, may it be an encouragement to pray for our persecuted brothers and sisters in Christ.

PRAY FOR THE PERSECUTED
2019 VOM PRAYER MAP

Remember them that are in bonds, as bound with them; and them which suffer adversity, as being yourselves also in the body.
- Hebrews 13:3 (KJV)

■ **RESTRICTED**
This includes countries where government-sanctioned circumstances or anti-Christian laws lead to Christians being harassed, imprisoned, killed or deprived of possessions or liberties because of their witness. Also included are countries where government policy or practice prevents Christians from obtaining Bibles or other Christian literature. In addition to government persecution, Christians may also experience persecution from family, community members and/or extremist groups.

■ **HOSTILE**
This includes nations or large areas of nations where national governments attempt to provide protection for the Christian population, but Christians are routinely persecuted by family, community members and/or extremist groups because of their witness.

PRAY FOR MIRACLES

Thirty years ago, on November 9, 1989, the Berlin Wall fell. You can see people celebrating on top of the wall late that night.

Do you know why the Berlin Wall crumbled? There are geo-political answers, but the best answer is: God's people prayed.

God's people had prayed for decades that the gospel could be proclaimed in Communist countries. The prospect seemed impossible, but "nothing is impossible with God" (Luke 1:37).

Miracles Needed Today

Today Christians continue to face persecution. There is an urgent call to pray for Christians in northern Syria who are fleeing as the Turkish backed militias move into the area. Christians in this area experienced genocide during World War I and are fearful of a repetition. At left, a Christian mother carries her belongings with her children behind her as they arrive in a refugee camp near Mosul, Iraq.

At right is a picture of a 3000-seat church in Funan, Anhui, China, that was torn down on October 19, 2019. "It was mid-worship service when the destruction unexpectedly took place, and the church lost all of its property. During the demolition, Christians knelt in front of the authorities, begging them not to tear down the building. The church was not compensated for its loss of property. Authorities claimed that they were renovating the area and suggested that Christians attend other churches. They also claimed that they would rebuild the church in another region. Officials detained the church's pastors, Geng Yimin and Sun Yongyao, on suspicion of 'gathering a crowd to disturb social order.'" PRAY FOR OUR SYNOD'S MISSIONS

Pressure continues to grow for the local church because of government policies and actions in East Asia. In fact, churches and Christian schools all throughout the mission field have been shut down. Many missionaries and their families have been forcibly expelled from the region. There is concern for how long our WELS called workers can

WELS
Christ's Love, Our Calling.

continue working in the field, but that is not slowing the work down. It has only made us more urgent to empower the local church to share the gospel. Our workers weekly mentor and equip dozens of leaders to reach out, disciple believers, and multiply leaders, and start new groups. More than 900 souls are being served with the gospel each week (<https://wels.net/serving-others/missions/asia/east-asia/>).

Online outreach in a restricted-access country

Imagine a country where it is illegal for churches to gather without special permission, to proclaim any gospel other than what the unbelieving government approves. A country where churches, obviously, cannot do any promotion, canvassing, or big outreach events, where all social media is controlled by the powers that be, and where most everything that is perceived as coming from the West is considered suspect by the authorities. How would you do large-scale outreach and evangelism in a setting like that, especially when you know that there are millions of people in that country who are looking for meaning and are open to spiritual direction?

Believe it or not, one group has still launched an outreach website on the approved social media platform through the help of Multi-Language Publications (MLP). It is not overtly Christian, at least not at first glance. It talks about sports, common marriage problems, and movies that are popular. Each blog post offers simple life advice and insights on these topics to get people's attention and then quotes a relevant Bible passage. Finally, at the bottom of the article there is a link to more information. From there, readers can access a page that tells them more about the Christian message through articles such as "Who is Jesus?" and "What is the Bible?"

There is no way to promote this web page. There is only word of mouth. Praise God that several "Promoters" (outreach-minded brothers and sisters) have agreed to post the weekly articles on their local version of a "Facebook Wall." Praise God that, in the first 12 hours of the first article being released, there were already 753 views! Within a few days, there were over 1,200 views! But, more importantly, 120 people (10%) had gone on to view the article "Who is Jesus?"

The impact in a restricted-access country filled with spiritually curious people is powerful, and it is growing. In fact, this site is the sister of two other sites launched earlier, also with the help of MLP. The one launched in March, a simple discipleship website, had 7,300 visits last month. The second, a leadership training site, had 15,600 visits last month.

Please pray that these sites continue to grow and reach tens of thousands of people every month. Our goal for the first year is 150,000 visitors, and our 3-year goal is 1,000,000. Please pray that these sites are not shut down by the government. Pray that the authors, website manager, and "Promoters" have the courage to continue boldly and clearly proclaiming the gospel. But most of all, pray that the Holy Spirit works through the gospel on these sites to create and strengthen the faith of many people (<https://wels.net/online-outreach-in-a-restricted-access-country/>).

NOVEMBER GRACE ROOM SERIES

A defining moment in American Lutheranism occurred when the Wisconsin Evangelical Lutheran Synod and the Lutheran Church Missouri Synod split apart in 1961. So what went wrong between these two church bodies? "A Tale of Two Synods" led by Rev. Dr. Mark Braun from Wisconsin Lutheran College and author of the book by the same title, is presenting a clearer picture of what happened and where things are today in the Grace Room, November Sundays, 9:15-10:15 am.

MR. JEFF WETZEL ACCEPTS CALL

The Ministry Board extended a call to our current 5th grade teacher, Mr. Jeff Wetzel, to become our school's first director of curriculum, instruction, and technology (DCIT) beginning in July 2020. Mr. Wetzel accepted the call on Wednesday, November 6 and wrote the following letter to the congregation.

November 6, 2019

Dear Members of St. Paul's Lutheran Church and School,

On Thursday, October 17, I was extended a call to serve as St. Paul's first director of curriculum, instruction, and technology – a position that is being added to enhance the entire ministry of St. Paul's. After many prayers, encouraging conversations, and a few emails, I am confident that the Lord is leading me to accept this call!

Whenever a congregation decides to grow their ministry, there is a sense of excitement and curiosity. It is my prayer that over time, this position speaks for itself and that it is an asset to our school. I pray, and I ask you to pray as well, that the Lord will bless the leaders and teachers of St. Paul's to help evolve this position into a role that can make our school even better than it already is!

Finally, I would ask that you continue to keep all our ministries here at St. Paul's in your prayers, especially now, as we call to fill the teaching vacancy for the 2020-2021 school year.

Faithfully in HIS continued service!

Mr. Jeff Wetzel

DR. NELSON VISITS AREA MIDDLE SCHOOLS

In an effort to better serve the youth of our community, Dr. Joel Nelson, our Director of Discipleship, asked for and was given a tour of Lake Denoon Middle School and Muskego Lakes Middle School by the schools' principals. One of the highlights was being greeted by a number of St. Paul's youth. When he asked one of the principals what was the biggest struggle for the students, she said managing their stress and anxiety. Dr. Nelson concluded his report to the Ministerial Team: "All in all another great visit, showing me that there are very dedicated, caring professionals in these schools who need our prayers and support. Our public-school member children/families also need our prayers and continued/expanded support."

ST. PAUL'S STUDENT COUNCIL CARES

St. Paul's Lutheran School and Sunday Morning "Kids Club" are partnering together with the Muskego Food Pantry to do a food drive before Thanksgiving. We would love if you and your family would participate by donating nonperishable food items. There will be red containers set up in the church lobby and around school in which you can put the food donations. Some of the foods that would be most helpful to the Food Pantry for Thanksgiving are stuffing, mashed potato mix, cranberry sauce, turkey gravy, canned pumpkin, and pie crust, but the Food Pantry would love any non-perishable donations available - especially peanut butter and other items on this list. The red donation containers will be set out through November 11. Thank you! - Hailey Ristow (8th Grade Student Council Member)
