

## God Saves Shadrach, Meshach, and Abednego Daniel 3

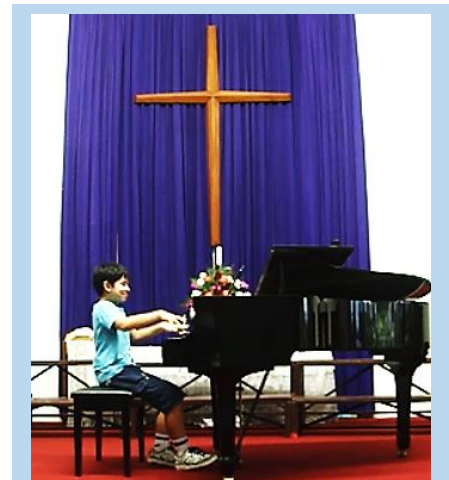

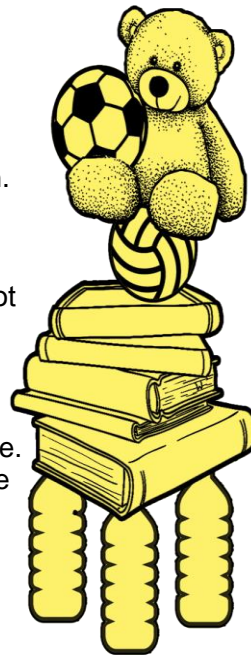

King Nebuchadnezzar wants everyone to bow down and worship a statue. But Shadrach, Meshach, and Abednego worship only God, so they stand strong. As punishment, they're thrown into a blazing hot furnace of fire. But God rescues them. God helps us stand strong.

Watch the video of the story on the Kids Club Resources webpage. Then read Daniel chapter 3. Talk about what you would do if faced with a similar choice. Would you deny God or die for him?

**Only 2 Sundays left in the 2018-2019 Kids Club year. WOW! It went fast! Parents: join us if you can on May 19 for our final "Kick Out" session.**

### Family Together Time

- Gather a bunch of random household items of various shapes and sizes.
- Work together to build a tower as *tall* as you can.
- Talk about how sturdy your tower seems.
- Knock the tower down, and rebuild it. This time, build a tower as *strong* as you can, even if it's not very tall.
- Talk about how this tower compares with the last one.
- A tall tower might look more impressive to people. Talk about things you do to impress other people that don't show a strong faith.
- A strong tower might not impress others, but it will hold its ground. Talk about how you can be strong in your faith this week.

### WATCH THE VIDEO

Then talk about James. Where did he live? How did he stand strong for Jesus? Why would this be a hard thing for him to do? How is James like Shadrach, Meshach, and Abednego? How do you feel about the freedom you have in America to worship Jesus as you want? Pray for James and others like him that they remain strong in Jesus their whole lives.
