

Jesus Washes the Disciples' Feet John 13:1-17

THE LESSON:

Jesus washes his disciples' feet. Although Peter protests at first, he lets Jesus wash his feet. This is a lowly job, and yet Jesus does it. He tells his disciples to follow his example and serve others. Read about it in John 13:1-17. THE POINT:

Jesus is servant-hearted,
so we serve others.

Through the Week

- Find creative ways to serve each other this week! Here are some ideas:
 - Do someone else's chores.
 - Clean someone else's shoes.
 - Draw a picture for someone.
 - Give a hug.
 - Spend special time with someone.
- Come up with your own clever ideas!

WATCH AND DISCUSS the video titled, "Faith's Story." What about Faith's service did you find interesting? Did Faith feel good about her service to others? Did anything about her service make you feel good? Do you think serving others will always make the server feel good? Explain. What is the real point of serving? Would you like to serve like Faith did? Why/Why not? Why was Faith's story included in this week's session? How was Faith like Jesus in the lesson from John 13?

As a fun way to think about service and serving others, students in 4K pretended to be waiters in a relay race to deliver trays filled with various items to other members of their serving team. It was a lot of fun with some "thrills and spills"!
