### Family Together Time

- Write some of the following verses on sticky notes or small slips of paper. Younger kids can draw pictures of crosses instead.
  - Acts 1:8
  - Romans 1:16
  - Romans 8:2
  - 1 Corinthians 4:7
  - 2 Corinthians 4:20
  - 2 Corinthians 12:9
  - Ephesians 3:18
  - Ephesians 3:20
  - Ephesians 6:10
  - Philippians 2:13
  - 2 Thessalonians 1:11
  - 2 Timothy 1:7
- Stick or tape a verse or picture over each outlet and light switch in your house.
- Whenever you use electric power, you'll get a reminder of Jesus' power in your life!

Students in grade 3-6 used dominoes to create a chain reaction. This activity helped students to visualize how the Holy Spirit can work through us as we share Jesus with someone and then this person shares it with someone else, and so on.

### THE LESSON

Before Jesus goes to heaven, he tells his disciples they will receive the Holy Spirit's power to be his witnesses! Later the Holy Spirit comes and gives the disciples' the ability to preach to others in different languages and do miracles! Many, many people come to faith in Jesus. Jesus gives us the Holy Spirit, too, so we can be bold and confident when we share Jesus with others.

### THE POINT

**Jesus is powerful, and he gives us power.**

*PETER'S VISION OF ANIMALS*

- Family Welcome (video)
- Blocking Them Out
- Get Them Off the Sheet
- Get Up and Eat

**NEXT SUNDAY!**

**WATCH AND DISCUSS** the video we saw about Jesus sending the Holy Spirit to his disciples. You should also read the account in the Bible book of Acts (see verses reference above). What was the setting of this story? How was the power of the Holy Spirit shown? Why do you think God empowered the disciples to speak in different languages? What was the result of this preaching? Would you have wanted to be there? Why/why not? Why does the Holy Spirit also give disciples today his power?

**Would you like to join the Kids Club staff for 2020-2021? We will need more teachers as some of our current staff will be going on to college and other interests. If you'd like to learn more, contact Dr. Nelson ([jnelson@stpaulmuskego.org](mailto:jnelson@stpaulmuskego.org)) ASAP.**
